Projects

Father's Advice *(Career Guidance Platform)*

- Currently developing *Father's Advice*, a platform aimed at providing career guidance to students from a young age.
- Offers mentorship through three types of mentors: ○ Those currently preparing for exams and training in a specific field.
  - Professionals already working in the field.
  - Senior-level, experienced, or retired professionals.
- Involved in writing research papers with the goal of publishing them to highlight the impact and scope of our project.

Portfolio Website *(HTML, CSS)*

- Built a personal website to showcase projects and technical skills.

Achievements/ Certificates

Participated in solVIT hackathon organised at VIT Bhopal University.

Skills

Languages: C++, Java, Python,
Web Development: HTML/CSS, JavaScript
Developer Tools: Visual Studio, GitHub

Extracurricular Activities & Interests

• Competitive Programming (Beginner Level)
• Table Tennis & Badminton

Final Note

Eager to gain hands-on experience through an internship where I can apply my knowledge and learn from industry experts. Passionate about continuous learning and innovation in technology.
